

## Patients' Rights

- **The Right to Information.** Patients have the right to receive accurate, easily understood information to assist them in making informed decisions about health care involving Davam Urgent Care facilities and professionals.
- **The Right to Respectful Care.** Every patient has the right to respectful and considerate care without discrimination.
- **The Right to be a Full Partner in Health Care Decisions.** Patients have the right to fully participate in all decisions related to their health care. Patients who are unable to fully participate in treatment decisions have the right to be represented by parents, guardians, family members, or other conservators.
- **The Right to Identification.** Patients have the right to know the identity of physicians, medical assistants, and others involved in their care, as well as those involved are students or other trainees.
- **The Right to Care without Discrimination.** All patients have the right to considerate, respectful care from all Davam Urgent Care employees at all times and under all circumstances. Patients must not be discriminated against in the provision of health care services, consistent with the benefits covered in their policy and/or as required by law.
- **The Right to Verbal or Sign Language Interpretation Services.** Davam Urgent Care utilizes a HIPAA compliant health care interpretation service to provide these services.
- **The Right to Privacy.** Patients have the right to communicate with health care providers in confidence and to have the confidentiality of their personally-identifying health care information protected.
- **The Right to Review.** Patients have the right to review and copy their own medical records and request amendments to their records as well as have the information in their records interpreted or explained to them, except as restricted by law. Patients have the right to review any disclosures of their health information, in accordance with law and regulation.
- **The Right to Complaint Resolution.** Patients have the right to a fair and efficient process for resolving any differences with Davam Urgent Care, its policies, guidelines, or health care providers.
- **The Right to have Acute Pain Issues Addressed.** Davam Urgent Care respects the patient's right to management of pain as appropriate and consistent with clinical practice guidelines.
- **The Right to Express Safety Concerns.** Patients have the right to contact Davam Urgent Care's leadership team to report any concerns of safety in or around our facilities. Patients also have the right to contact Urgent Care Association by [www.ucaoa.org](http://www.ucaoa.org) to report any concern of patient safety which they feel Davam Urgent Care management was unable to successfully address.

## Patients' Responsibilities

- **The Responsibility to be Accountable.** In a health care system that affords patients' rights and protections, the patient must also take greater responsibility for maintaining good health.
- **The Responsibility to Ask Questions.** Patients should ask questions when they do not understand their care, treatment, or services or what they are expected to do.
- **The Responsibility to Show Respect and Consideration.** Patients should be considerate of the organizations physicians, staff, and property, as well as other patients and their property.
- **The Responsibility to Meet Financial Obligations.** Patients are expected to meet all financial obligations agreed to with Davam Urgent Care.
